

# MICHAŁ WECHMANN

DATA ANALYTICS & IT ENGINEER

## SUMMARY

Computer Science Engineer and Data Science student with a strong command of SQL, MS Excel, and Power BI, along with foundational knowledge of Python. Combining a technical background with analytical experience gained in the e-commerce sector, I am seeking opportunities to grow in data analytics and general IT.

## EXPERIENCE

### E-commerce Specialist

DSJ Business Consulting LLC • January 2024 – Present

- Managed product data and pricing with high accuracy in a dynamic environment.
- Utilized advanced MS Excel to analyze data, verify quality, and support reporting.
- Analyzed customer data to identify trends, guide marketing campaigns, and resolve data errors.
- Tracked tasks and documented system changes precisely using Jira.

### Project Coordinator

Acolad Group • January 2023 – December 2023

- Coordinated international projects, cooperating with global business partners.
- Ensured high customer satisfaction and resolved project risks proactively.
- Communicated effectively in a fast-paced, English-speaking business environment.

### Customer Service

Happy Pack • January 2021 – December 2022

- Diagnosed and resolved technical issues efficiently using strong problem-solving skills.
- Collaborated with teams to maintain smooth operational processes.
